Committee Reports

- a. Vice President Report: Melissa is working with volunteers & coaches to cover all events. Still need soccer & volleyball opener/closer.
- b. **Concession Report:** \$1682.25 blue & white sales. 38 pizza ordered, 7 left.
I'm having trouble finding Pepsi receipts. I will call to get a copy of orders & receipts. Victoria asked if Gina can take a look into automated receipts that would be emailed or mailed to us directly. When ordering from Pepsi Victoria said let's stick to Gatorade, Sierra Mist and rootbeer. Water should never be ordered through Pepsi. Also minimize order as much as possible. Ordering through Pepsi is very expensive. Looking for 2 big white coolers, can't find them. May need to purchase 2 or 3 new ones – to be owned by Boosters and not to be lent out. Possibly store them in west bookstore. Visitor signage being worked on by Victoria. Hand sanitizer needs to be looked into. Jennifer Neely selling concession equipment if we need anything. Pronto Pizza wants to bid to be pizza vendor. Booster Board very happy with Generosa. If new company comes in would be a vote – must be better taste, price, etc. New parent volunteer willing to do concessions for morning events. If we do, menu needs to stay simple – muffins, etc. breakfast foods
- c. **Spirit Wear:** \$1681 @ freshman BBQ, \$824 @ blue & white. Ordered new sweatshirts this year in grey & blue only. With Anna being gone, Sherry needs more help – a permanent help. Post openings on website, Facebook and Twitter to get someone to help. Need to order more t-shirts from Mark at VarCity.
- d. **Bookstore:** Goggles can be sold at whatever price they want. More than enough volunteers. Kathy sold approximately \$1000 of geometers at book distribution
- e. **Sponsorship:** Athletico will be signing again for \$1867. What to do with signs of people not coming back – Victoria will address at later date with the sponsorship committee. State Farm Bear coming to 4 games. Itasca Bank & Athletico both re-signed. Debbie will email photos of scoreboard to put on website – Anna or Karen.
- f. **Marketers/Communicators:** No reports.
- g. **Fundraiser:** Need to get the word out about the gym shoes fundraiser. Victoria will ask Pete to send an email blast to everyone, get word out in morning announcement, etc. Debbie – we also need storage for the bags of shoes, is there any room at LP?
- h. **Membership:** Off to a good start. \$150 premier membership has increased,

all cards and passes, etc. have been mailed out. Gifts will need to be picked up. Case of tumblers (24) from last year – Sherry will sell at Sportswear events.

- i. Scholarships: No Report

School Board Representative:

Old Business/New Business

Victoria is working with Sherry to sell a LP Flag. They will be a part of our regular inventory and sold at football games and other events. Pete may or may not be at most meetings. If anything needs to be addressed, check in with Victoria. She will reach out to him to get our concerns/questions answered. We need to fill the Marketing/Communications positions. We are also looking to fill positions that will be open next year for, secretary, vice president, president. Victoria was also approached about a new pizza vendor (Pronto) interested in selling pizza at LP. We are currently not looking for a pizza vendor.

Next meeting is scheduled on, September 12, 2016. Meeting adjourned at 9:10pm.
