

LAKE PARK ATHLETIC BOOSTER CLUB 2019-2020 MEMBERSHIP

The Lake Park Athletic Booster Club is a non-profit organization composed of parents, staff, and alumni. We have one common goal...to enhance the experience of our athletes by raising funds for all 27 Lake Park athletic clubs. The Booster Club raises funds through our annual membership drive, corporate sponsorships, concessions, spirit wear and school store sales. Over the past 13 years, the Lake Park Booster Club has provided in excess of **\$685,000** to the athletic programs to fund expenses not included in the Lake Park athletic budget. These funds covered long term projects such as the baseball press box, softball field upgrades, scoreboards for all sports and weight room upgrades, along with annual expenditures for concussion testing, coach development, and wish lists for each sport. Lake Park Athletic Booster Club also offers annual scholarships to student-athletes.

The Family Athletic Pass is a fantastic way to enjoy all Lake Park Athletic events at a great savings over daily admission cost. The pass covers the cost of admission to regular season events and LP tournaments. Admission is generally charged at events such as football, volleyball, soccer, basketball, badminton, gymnastics, track and wrestling. Please note the pass is not valid for IHSA sponsored events. **Each pass is valid for TWO ADULTS and TWO CHILDREN. THIS WILL BE STRICTLY ENFORCED.** All Lake Park students are admitted to athletic events free with their student ID.

Consider joining the Lake Park Athletic Booster Club this year. There are several different levels of membership that you can choose from as shown below. The most popular and **best value** is our \$110 **Lancer Membership** that includes: a **LP auto magnet, two Athletic Passes, and a LP Booster Member gift.**
